

TESTIMONIAL FOR ANU KHANNA OF ACTION COACH

I am writing to thank Anu Khanna of Action Coach for the business advice, coaching and support that she has provided to me and my business over the past 18 months.

I had never used a business coach before and I wasn't sure what to expect. However I soon realised that Anu doesn't tell you what you want to hear but what you need to hear. Anu was quick to offer me some excellent guidance that helped me overcome the business challenges I faced and has kept me focused on the steps I need to take to grow my business.

Anu provided me with the resources and tactics that enabled me to approach my business with renewed energy and purpose. She is consistently quick to respond to queries, generous with her time and offers fantastic advice and business knowledge.

I would recommend the services of Anu Khanna of Action Coach to anybody interested in growing their business.
